BHANDARI

Institute of Minimal Access Surgery Training

138-A, Vasundhara Colony, Tonk Road, Jaipur-18
Ph.: 0141-2703851/52

Course Outline :

Endo urology surgery has become an integral part of a urologist's practice. Endourology has been accepted as the gold standard for urological procedures. Patients want an early recovery, minimal pain and the obvious cosmetic benefits offered by Minimal Access Surgery. This 7 day course will offer a basic grounding in Endourology for Urologists and practicing surgeons help them to get the confidence to start some of the standard Endo Urological Procedures in their own operating theaters.

The course promises extensive training at this aspect with dedicated hours.

A visit to the operation theatre will enhance the confidence of the delegates after witnessing live surgeries and give them the confidence to overcome the difficulties in their own operating theatres.

Course Objectives

- To familiarize oneself with all the basic equipment for Laparoscopy & Endourology
- To understand the Endoscopic Anatomy particularly for basic Urological Procedures
- To review indications, technical details and possible pitfalls in Endourology
- To understand complications, prevention and management
